[BEBPA conference - visit our virtual booth](#)

We are sponsoring BEBPA's 5th Annual US Bioassay Conference. As an alternative for a local presence and a physical booth, we launched a virtual booth (V-Booth).

Visit us, even if you are not attending the conference, receive valuable information, and discover our latest product releases. Dr. Ralf Stegmann (CEO) will be ready via live chat to answer all your questions.

Our virtual booth is active from March 23 during the virtual conference & exhibition.

The screenshot shows a virtual booth interface with a blue header and white content. It includes a welcome message, a CEO profile, a list of analytical methods, and a product overview section.

Best regards
