[Last chance to book a seat at our virtual PLA 3.0 Training for the region The Americas](#)

This week, you have the last chance to book a seat at our virtual PLA 3.0 Training and Workshop for the region 'The Americas'. The timings of the classes will allow participation within office hours in this region.

There are still seats available, so use your chance and register for the [PLA 3.0 Super User Training on May 03-04](#) and the [PLA 3.0 Advanced Analysis Workshop on May 05](#).

Taking part in our training is the best way to familiarize yourself with our successful PLA 3.0 software, its novelties, improvements, and most important features.

You'll learn how to work with PLA 3.0 most effectively, and you will get a chance to find out plenty of things about the software that will allow you to improve your results.

#### Topic Overview PLA 3.0 Super User Training

- Documents and document management
- Data and Data acquisition
- Templates
- Document types
  - Generic document types
  - Biological Assay Package
  - Dose-Response Analysis Package
- Validation
- Advanced topics

See you there!
