### [Don't miss your next PLA 3.0 End User Trainings opportunity in August 2021](#)

This August we hold our next PLA 3.0 End User training - your opportunity to significantly upgrade your PLA skills. We developed this training with a focus on the daily PLA 3.0 user. In 3.5 hours, you gain solid basic knowledge about documents, document management, data input and the use of templates in PLA 3.0.

And because of the still ongoing situation, we significantly reduced our training rates, so you can gain more knowledge for your budget.
