Which training is the right choice for me?

We currently offer two training courses and a workshop, but which one is right choice for you?

Are you

- Responsible for operating methods within PLA 3.0 (which have been prepared by others, like a Super User)?

→ Our [PLA 3.0 End User Training](#) is the right choice for you. Check next training [dates and read more](#).

Or are you

- Responsible for developing and validating methods within PLA 3.0?
- Responsible for organizing end user operations with PLA 3.0?

→ Our [PLA 3.0. Super User Training](#) (includes [PLA 3.0 End User Training](#)) is the right choice for you. Check next training [dates and read more](#).

Are you also interested in details of the statistical procedures of Quantitative response assays, combination calculations, equivalence margin development?

→ Our additional [PLA 3.0 Advanced Analysis Workshop](#) is the right choice for you. Check next workshop [dates and read more](#).

Best regards
Mathias von Gellhorn
