[Your last chance to benefit from discounted training rates](#)

The still ongoing situation that we are all facing has changed the way how trainings are provided and how you participate in trainings. That's why we reduced the training rates in 2021.

The next [PLA 3.0 Super User Trainings](#) in November are your last opportunity to benefit from the reduced rates - [Book now](#), save 1150 Euro and just pay 800 Euro (Standard Admission) or just pay 640 Euro with our Discounted Admission.

And are you also interested in details of the statistical procedures of Quantitative response assays, combination calculations, equivalence margin development? Then [book our additional PLA 3.0 Advanced Analysis Workshop](#).

Best regards
