### [Visit us in Gaithersburg, Maryland](#)

Dear Max,

End of July, the 'Bioassays: Scientific Approaches & Regulatory Strategies' Conference starts in Gaithersburg, Maryland, United States. As a sponsor, we are going to participate and would be happy to welcome you at our booth.

I would like to invite you to check out our latest innovations. This time, we have the brand new Dichotomous Assay Package and our brand new Biological Assay Simulation Package (as a technology preview) with us.

Visit our booth for an exclusive demonstration. Or are you looking for more information on our broad variety of add-ons for analyzing and acquiring data, or are you looking for compliance features and supporting add-ons?

By talking to you directly, we can understand your requirements and propose solutions matching your needs.

Looking forward to meeting you at the Bioassays.

Best regards
